Re: ***Status Report***
Case No. 21-925-EL-CSS

Dear Ms. Troupe:

By letter dated September 1, 2023, Container Graphics Corporation (“CGC”) and The Toledo Edison Company (“Toledo Edison”) filed a status update reporting that the parties had entered settlement discussions and would file another status report on October 1, 2023. These settlement discussions between CGC and Toledo Edison are ongoing and have not yet reached a resolution. Accordingly, CGC and Toledo Edison request that they be permitted to file another status update on or before November 1, 2023, to report on the status of the settlement discussions.

Very truly yours
