First Energy Company

PUCO

This letter is to encourage the PUCO to oppose the rate increase proposed by First Energy. Everyone deserves reliable electricity. Raising rates isn't fair with such a bad economy. Many people can't afford to pay their bills now.

Poor management and politics have been part of First Energy's problems. They need to do what is right for the people.

Again, we encourage the PUCO to oppose a rate increase by First Energy and protect the consumers.

Sincerely,

Dennis & Shirley Toth
