Subject: Public Records Request OPSB

POST COMMENT as T YOUNG and FILE to 22-0549-EL-BGN and 22-0550-EL-BTX

Public records request for any and all meetings by the Oak Run Solar project 22-0549-EL-BGN and 22-0550-EL-BTX dates, etal, times, locations, in attendance, and the attendance to all OPSB events defined, by the prior Ad Hoc board member, then acting Ad Hoc Commissioner Mark Forrest in committee and/or conversation with Oak Run Solar project, since appointed (1st time) July 19, 2022 until resignation March 28, 2023.

I also found the OPSB website for Ad Hoc Board Member Dos and Don'ts...**let's review.**

Don't Testify at the public hearing

Transcript of the Oak Run Solar Project, LLC hearing held on 05/15/23, VOL 1

First witness, upon subpoena by Oak Run solar project attorney, Ad Hoc Commissioner Mark Forrest.

Perjury within the sworn testimony, as Ad Hoc Commissioner Mark Forrest

Transcript of the Oak Run Solar Project, LLC hearing held on 05/15/23 Testimony VOLUME 1, page 20, Tr. 1-9

SEE PUBLIC COMMENT (CODY) 10/17/2023 as evidence perjury

by Ad Hoc Commissioner Mark Forrest own text with project.

Don't serve as an ad hoc OPSB member if you are party to a lease agreement with **a utility project.**

Commissioner Mark Forrest was granted ad hoc in July 19, 2022 while being leased with Plain Solar, Mark Forrest lease wasn't terminated until September 9th, 2022.

Further, by his own sworn testimony, Ad Hoc Mark Forrest, whom was *again* granted

to being Ad Hoc to the Oak Run Solar project in January 31, 2023, has family member(s) whom are leased with utility solar projects in Madison County Ohio.

(Always copy documentation immediately because it can removed, replaced, renamed, etc, and it might be needed to prove the event happened)

Disclose or use information

Ex parte communications—There should be a list with OPSB as to the conversations made by Ad Hoc Commissioner Mark Forrest with date and times of communications that have taken place and the names of those who participated in the discussions who are parties to the project case.

Public Records Request for OPSB documentation of conversations made by Ad Hoc Commissioner Mark Forrest at Oak Run Solar Ad Hoc Committee.

... such communications take place, you and the individuals you communicated with must disclose to the OPSB the date of the conversation and the names of those who participated in the discussion who are parties to the case.

Public Records Request for the original email received to Matt Butler OPSB etal on March 17, 2023 by mforrest522@gmail.

Oak Run solar project should have not been approved via Staff Report whom wanted a Out of Time because they knew about the Resolution by the Madison County Commissioners to oppose March 21, 2023, and *slow walked*.

Public request for all text messages of OPSB staff with Savion employees, from 1/1/2023 until 10/31/2023, as well as prior requests.

Public records requests to be received via this email address.

Sincerely.

T Young
