SUBJECT: Cleveland Electric Illuminating Company - Regarding PUCO

Description: Greetings,

This letter concerns PUCO Case for First Energy's new ESP case, PUCO Case Number 23-301-EL-SSO

Since 2009, First Energy has supported a very important program to help poor people. This is the Fuel Energy Program. This provides help for low-income families who have exhausted all other means of assistance and still find themselves facing termination of their electric service.

This program funded by First Energy (FE) can provide credits of up to \$500 on a family's electric bill, thus averting utility shutoffs. We are concerned that the Fuel Fund Program may no longer be funded by First Energy as a result of this new FE ESP case.

This program provides necessary service to families who otherwise would lose their vital life-saving electricity. We urge FE to continue this program. We urge the PUCO to ensure that FE continues this program, or else the PUCO should deny any rate request now being sought by the company.

Thank you,

Laurie Leverette
