Project Name:	Oak Run
Enter your Comment or Complaint:	Savion first project constructed, the same company dba Oak Run, Madison Fields posted this outline within the letter for operational starting date of December 14, 2023, to whom unknown other than Landowner/Tenant, for questions or need to reach out...We kindly ask, "please allow us the opportunity to address your request through this process before contacting the state or any other parties." Why would that be??? Unregulated projects further are not in the best interest of the locals, and Oak Run solar should be denied.
