Hello Mr. Fullin and Mr. Rogers,

I agree to the settlement offer proposed by Ohio Edison and Mr. Rogers during our phone conference last week. I have attached the files of the pictures of the money order for the security deposit and the envelope with the round stamp by the post office. The payment was mailed today. As per the agreement, the security deposit will be refunded in June 2023. Thank you, Mr. Fullin, for facilitating the settlement discussion.

Ms. Simballa,

Ohio Edison is willing to forego requiring you to enroll in autopay. Please let me know if you will accept Ohio Edison's offer to credit the security deposit to your account in May/June 2023 if you pay the security deposit and continue paying in full and on time until then, in exchange for dismissing your complaint.

Please note, that this is a one-time waiver, and Ohio Edison reserves the right to reassess the security deposit if you begin making late or partial payments again.

Hello Mr. Fullin,

It was a pleasure speaking with you on Tuesday. I appreciate you considering my safety in traveling to Columbus with the pending foul weather and for offering to conduct the hearing via conference call. As per our discussion, I have attached the files of the supporting documentation for the dispute with Ohio Edison and First Energy Corp. I have also included Christopher Rogers and Kathy Fling in the email since Mr. Rogers is the counsel of record for Ohio Edison Company and Ms. Fling is the counsel of record for First Energy Corp and representing Ohio Edison Company.

Again, I appreciate your concern for my safety and am looking forward to speaking with you at 1:00 pm on January 25.
