

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE ANNUAL
REPORTS FOR CALENDAR YEAR 2022 FOR
THE FISCAL ASSESSMENT OF ALL
REGULATED ENTITIES.

CASE NO. 22-01-AU-RPT

ENTRY

Entered in the Journal on January 3, 2024

{¶ 1} Pursuant to R.C. 4905.10, by Entry issued January 26, 2022, the Commission directed all regulated entities to file a 2021 annual report for fiscal assessment through the Commission's web-based filing system known as the PUCO Community by April 29, 2022. The Commission uses the annual report information to generate invoices that are then sent to the annual report filers on or before the first day of October consistent with R.C. 4905.10(B) to fund the operations of the Commission.

{¶ 2} On November 21, 2023, Cummins & Associates Telecommunications (C&A) filed a request for leave to late-file its annual report for calendar year 2021. C&A is authorized to provide competitive retail electric supply pursuant to Certificate No. 20-1475E. In support, C&A stated that through a series of misunderstandings, it failed to file its annual report prior to the filing deadline. Upon approval of this motion and the unlocking of the 2021 annual report in the PUCO Community, C&A commits to submit promptly the 2021 annual report to reflect updated fees and commissions.

{¶ 3} The attorney examiner determines that C&A's request for leave to late-file its annual report for calendar year 2021 should be granted. C&A must now contact the Commission's Fiscal Division to make arrangements to submit its 2021 annual report for fiscal assessment.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That the motion filed by C&A be granted in accordance with Paragraph 3. It is, further,

{¶ 6} ORDERED, That a copy of this Entry be served upon C&A.
