A-13. Company history

Stream Energy was formed in August of 2004 by co-founders Robert Snyder and Pierre Koshakji. Stream Energy was awarded its certification as a Retail Electric Provider (REP) in the Electric Reliability Council of Texas (ERCOT) jurisdiction of Texas by the Public Utility Commission of Texas on January 21, 2005 (REP Certificate Number: 101004).

Towards executing upon the founders' vision for effectively capturing the mass market consumer segment in ERCOT, a team of highly experienced energy experts was assembled who represent a diverse yet complimentary set of backgrounds that include, but are not limited to sales and marketing, energy procurement, scheduling and dispatch, as well as retail operational processes and systems development (i.e. electronic data transaction engine, as well as payments and billing systems). The Stream Energy management team possess well over 150 years of combined electricity and natural gas industry experience in the areas of finance, plant operations, trading and retail functions.

Since the enrollment of Stream Energy's first customer in March 2005, Stream Energy has become one of the largest Competitive Retail Electric Provider (CREP) which is a REP that was not previously associated with an incumbent utility in the ERCOT region of Texas. Stream Energy currently serves over 320,000 Texas electricity customers. In addition, Stream Energy serves electricity and gas in the states of Maryland, Pennsylvania, New York and New Jersey as well as electricity customers in the District of Columbia, Illinois and Delaware, with over 134,000 customers combined; while in Georgia Stream Energy serves over 44,000 natural gas customers.

In 2012, Stream Energy was a finalist for the Platts Global Energy awards for the 6th year in a row. Also in 2012, the Dallas Business Journal ranked Stream Energy as the 26th largest privately held company in Dallas. Stream Energy was also named the winner of Two American Business Awards. Stream Energy is also actively involved in the communities it services through charitable donations, and was named as the Top Philanthropic Donor by the Philadelphia Business Journal. In addition, Stream Energy won the 2012 Communicator Award of Distinction for highlighting Captain Hope's Kids, a non-profit advocacy group for homeless children. Stream Energy has participated in funding donations to organizations such as Utility Emergency Services Fund in Pennsylvania. In 2013, Stream Energy participated in DSA's annual Code

Communications Initiative (CCI) and received a Certificate of Recognition for its efforts in generating enhanced awareness about the Code and promoting adherence to the Code within the company and salesforce, as well as with consumers.

In 2014, Stream Energy was named the Bronze Telly Winner in the Branded Content for Promotional Branding of 'License To Thrill.'

In 2015, Direct Selling News announced that Stream ranked 9th in the 2015 North America 50.

In 2016, Stream continued its philanthropic efforts by matching donations of its Associates for the Texas Tornado Benefit which helped victims of the tornadoes that struck North Texas on December 26, 2015.

On April 12, 2016, Stream launched Stream Cares to strategically support and fund causes, with a special focus on giving back to members of the military and their families.

In 2017, Stream was named amount the top 10 most trusted electric providers in Texas by Market Strategies International. On September 1, 2017, Stream pledged to support customers and Associates impacted by Hurricane Harvey by donating to the American Red Cross.

In 2019, NRG Retail LLC ('NRG') acquired 100% of the membership interest in SGE Energy Sourcing, LLC, SGE Energy Sourcing, LLC holds 100% membership interest in Stream Energy Ohio Gas & Electric, LLC (Stream Energy).

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: Stream Ohio Gas and Electric, LLC ('Stream Ohio') is a wholly owned subsidiary of Stream Gas & Electric, Ltd. ('SGE'). SGE owns and operates retail entities which currently service over residential and small commercial power and/or natural gas customers in Texas, Georgia, Pennsylvania, Maryland, New Jersey, New York and District of Columbia under the dba of Stream Energy and Stream. Stream Ohio possesses the technical capability to serve customers in the Ohio electric and gas markets and comply fully with all applicable regulations governing same. The compliance will be achieved through Stream Ohio's ability to enter into working service and marketing agreements with SGE's ongoing operating entities servicing Stream Energy's current customer base.

Stream Ohio Gas & Electric, LLC ('Stream') utilizes network marketing to reach potential customers and utilizes utility consolidated billing to provide billing statements to customers. Stream has an in-house customer service team and a 3rd party outsourced team who are reachable via a toll-free phone number to respond to customer inquiries and/or complaints. Services provided by the call centers include handling calls regarding inquiries related to bills, enrollments, awards, discretionary service orders, and other routine matters. In addition, the team at Stream has worked closely with the Public Service Commissions in each state to ensure both adherence to, and contribution toward, policies and regulations that will continue to promote the competitive landscape in the states of Texas, New York, Washington D.C., Delaware, Georgia, New Jersey, Pennsylvania, Maryland, Illinois, and Ohio. As customer service and satisfaction are core principles of Stream's business model, Stream takes the necessary actions to ensure that it is in compliance with all regulatory requirements. Stream includes the following core principles into its business operations: • Call center management has the necessary skills and qualifications that meet Stream's standards on customer service and support for both email and call-in inquiries. This entails having a hands-on management team that is focused on developing, implementing, and managing the appropriate processes to ensure delivery and compliance with all rules, including providing service to any qualified applicant without discrimination, delivering the appropriate documents

to customers, and accurately communicating and adhering to customer rights policies. Call center personnel receive appropriate training to ensure knowledge of, and compliance with, all rules. In addition to initial training, representatives will be provided with additional training as needed to maintain knowledge of current rules. Floor supervisors and managers are also available to respond to emails or assist customers by phone as necessary.

- Stream has designed and implemented specific processes supporting the collection, tracking, and resolution of customer's complaints in a timely manner. Additional processes have been developed to ensure compliance of the necessary policies and timeframes.
- Stream has made the Anti-Discrimination Rules easily accessible by the company's employees on a regular basis.
- Stream support staff and call center employees are trained to make customers aware of the process to file a complaint with Stream and how to contact the Public Utilities Commission of Ohio.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

File Attached

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Links to Financial Statement(s): Stream Ohio Gas & Electric, LLC does not prepare stand-alone audited financial statements, but is included in the financial statements of NRG Energy, Inc., its ultimate parent company. NRG Energy, Inc.'s two most recent audited financial statements are included in its 10Ks and can be found here: <https://investors.nrg.com/financial-information/sec-filings>.

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio.**

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity

seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

This does not apply.

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

Merger Information: On December 6, 2022, NRG Energy, Inc. and Vivint Smart Home, Inc. announced both have entered into a definitive agreement under which NRG will acquire Vivint. The transaction closed on March 10, 2023.

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

File(s) attached

C-9. Financial arrangements

Provide copies of the applicant's financial arrangements to satisfy collateral requirements to conduct retail electric/natural gas business activities (e.g., parental guarantees, letters of credit, contractual arrangements, etc., as described below).

Renewal applicants may provide a current statement from an Ohio local distribution utility (LDU) that shows that the applicant meets the LDU's collateral requirements. The statement or letter must be on the utility's letterhead and dated within a 30-day period of the date the applicant files its renewal application.

First-time applicants or applicants whose certificate has expired must meet the requirements of C-9 in one of the following ways:

1. The applicant itself states that it is investment grade rated by Moody's Investors Service, Standard & Poor's Financial Services, or Fitch Ratings and provides evidence of rating from the rating agencies. If you provided a credit rating in C-4, reference the credit rating in the statement.
2. The applicant's parent company is investment grade rated (by Moody's, Standard & Poor's, or Fitch) and guarantees the financial obligations of the applicant to the LDU(s). Provide a copy of the most recent credit opinion from Moody's, Standard & Poor's or Fitch.
3. The applicant's parent company is not investment grade rated by Moody's, Standard & Poor's or Fitch but has substantial financial wherewithal **in the opinion of the Staff reviewer** to guarantee the financial obligations of the applicant to the LDU(s). The parent company's financials and a copy of the parental guarantee must be included in the application if the applicant is relying on this option.
4. The applicant can provide evidence of posting a letter of credit with the LDU(s) listed as the beneficiary, in an amount sufficient to satisfy the collateral requirements of the LDU(s).

Section D: Applicant Technical Capacity

D-1. Operations

Gas Marketers: Describe the operational nature of the applicant's business, specifying whether operations will include the contracting of natural gas purchases for retail sales, the nomination and scheduling of retail natural gas for delivery, and/or the provision of retail ancillary services, as well as other services used to supply natural gas to the natural gas company city gate for retail customers.

Operations Description: Stream Ohio Gas & Electric, LLC (Stream) partners with Energy Services Group (ESG) to provide EDI support for the company's operations in the Ohio retail energy market.

Stream leverages the operational and information technology resources of its parent NRG Energy, Inc. to manage the systems, business processes, interfaces, required data inputs and reporting necessary to forecast, settle, and schedule loads in PJM.

Stream utilizes NRG's in-house and outsourced call center teams to respond to customer inquiries and complaints. Services provided by the call center include handling calls regarding inquiries related to bills, enrollments, and other routine matters.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

ENTITY	REGULATORY AGENCY	DATE OF INCIDENT	STATUS	SUMMARY PUBLIC NOTES
Green Mountain Energy Company	Pennsylvania Public Utility Commission's Bureau of Investigation and Enforcement ("I&E")	1/8/2021	CLOSED	On February 24, 2022, the Pennsylvania Public Utility Commission issued a Final Order approving a Joint Petition for Approval of Settlement between the PUC's Bureau of Investigation and Enforcement ("PA BIE") and Green Mountain Energy Company ("Green Mountain") relating to sales and enrollment practices in Pennsylvania. PA BIE alleged that Green Mountain switched customers to its service without proper authorization in certain instances. Green Mountain agreed to pay a civil penalty of \$156,000 (not inclusive of any customer refunds), along with certain injunctive relief, such as required reporting. See Docket No. M-2021-3009235 (available at: https://www.puc.pa.gov/pdocs/1711074.pdf).
XOOM Energy Ohio, LLC	PUCO - Public Utility Commission of Ohio	6/1/2021	OPEN	In June 2021, the Public Utilities Commission of Ohio ("PUCO") issued a notice of probable non-compliance to XOOM Energy Ohio, LLC ("XOOM Energy"), citing concerns with XOOM Energy's compliance with marketing, sales, and enrollment regulations in Ohio. In April 2022, PUCO opened a formal investigation into these same issues. On August 2, 2023, XOOM Energy entered into a stipulation with PUCO Staff to settle the matter. Under the terms of the settlement, XOOM Energy did not admit wrongdoing but will: (i) pay a forfeiture of \$120,000; (ii) pay \$100,000 to the Dollar Energy Fund to be used as bill payment assistance; (iii) provide refunds to affected customers; and (iv) implement corrective actions to monitor enrollments. This matter is pending.
Direct Energy Services, LLC	PUCO - Public Utility Commission of Ohio	6/1/2021	OPEN	In June 2021, the Public Utilities Commission of Ohio ("PUCO") issued a Notice of Probable Non-compliance to Direct Energy Services ("DES"), citing concerns with DE's compliance with marketing, sales, and enrollment regulations in Ohio. On June 10, 2022 DES and PUCO Staff signed a joint stipulation of settlement in the matter. The Office of Consumer Counsel intervened to be heard on the settlement. This matter is pending.
XOOM Energy ONT, ULC	Ontario Energy Board (OEB)	2/1/2023	CLOSED	The Ontario Energy Board ("OEB") conducted an inspection of XOOM Energy ONT, LLC ("XOOM") following an inquiry by the company. The OEB alleged that XOOM's contracts and associated price comparison forms for low volume consumers in use during the period of 2017 through 2020, did not adequately disclose the manner in which the variable price for electricity or gas would be calculated. The OEB has accepted an Assurance of Voluntary Compliance ("AVC") from XOOM which was executed on January 26, 2023. Through the AVC, in a manner satisfactory to the OEB, XOOM agreed to pay a \$15,000.00 administrative monetary penalty as well as adjusting its contracts and price comparison forms for low volume consumers that will include a clearer description of how prices are calculated and may change throughout the term of a contract.
XOOM Energy Connecticut, LLC	Connecticut - Public Utility Regulatory Authority	3/15/2023	CLOSED	On June 29, 2023 the Connecticut Public Utilities Regulatory Authority approved a Settlement Agreement between the Office of Education, Outreach, and Enforcement ("EOE") and XOOM Energy Connecticut, LLC ("XOOM Energy") that resolved a Notice of Violation issued by the Authority on March 15, 2023. The Notice of Violation alleged that XOOM Energy failed to comply with a 2021 law prohibiting the charging of cancellation fees to residential customers. XOOM Energy included language about cancellation fees in certain customer-facing materials, although the company did not charge nor collect such fees from customers. Under the terms of the Settlement, XOOM Energy will pay a total of \$1.5 million to the electric distribution companies Connecticut Light & Power and United Illuminating for application to customer bills to reduce hardship customer arrearages and will also provide bill credits in the amount of \$75 to affected residential customer accounts. Additionally, XOOM Energy pledged to remove any remaining references to cancellation fees from customer-facing materials.

UNITED STATES OF AMERICA
STATE OF OHIO
OFFICE OF THE SECRETARY OF STATE

I, Frank LaRose, do hereby certify that I am the duly elected, qualified and present acting Secretary of State for the State of Ohio, and as such have custody of the records of Ohio and Foreign business entities; that said records show STREAM OHIO GAS & ELECTRIC, LLC, an Ohio Limited Liability Company, Registration Number 1740360, was organized in the State of Ohio on November 16, 2007, is currently in FULL FORCE AND EFFECT upon the records of this office.

Exhibit C-9

Financial Arrangements

Provide copies of the applicant's financial arrangements to satisfy collateral requirements to conduct retail electric/natural gas business activities (e.g., parental guarantees, letters of credit, contractual arrangements, etc., as described below).

Renewal applicants may provide a current statement from an Ohio local distribution utility (LDU) that shows that the applicant meets the LDU's collateral requirements. The statement or letter must be on the utility's letterhead and dated within a 30-day period of the date the applicant files its renewal application.

First-time applicants or applicants whose certificate has expired must meet the requirements of C-9 in one of the following ways:

1. The applicant itself states that it is investment grade rated by Moody's Investors Service, Standard & Poor's Financial Services, or Fitch Ratings and provides evidence of rating from the rating agencies. If you provided a credit rating in C-4, reference the credit rating in the statement.
2. The applicant's parent company is investment grade rated (by Moody's, Standard & Poor's, or Fitch) and guarantees the financial obligations of the applicant to the LDU(s). [Provide a copy](#) of the most recent credit opinion from Moody's, Standard & Poor's or Fitch.
3. The applicant's parent company is not investment grade rated by Moody's, Standard & Poor's or Fitch but has substantial financial wherewithal **in the opinion of the Staff reviewer** to guarantee the financial obligations of the applicant to the LDU(s). The parent company's financials and a copy of the parental guarantee must be included in the application if the applicant is relying on this option.
4. The applicant can provide evidence of posting a letter of credit with the LDU(s) listed as the beneficiary, in an amount sufficient to satisfy the collateral requirements of the LDU(s).

Response: Stream Ohio Gas & Electric, LLC is not serving gas customers in Ohio at this time, however, prior to offering service, Stream Ohio Gas & Electric, LLC will meet the financial requirements of the necessary LDU's and will provide that proof to PUCO at that time. Additionally, Stream Ohio Gas & Electric, LLC has the financial backing of its ultimate parent company, NRG Energy, Inc. as demonstrated in Exhibits C4 and C4.1.

Exhibit C-8. Stream Ohio Gas & Electric, LLC Corporate Structure

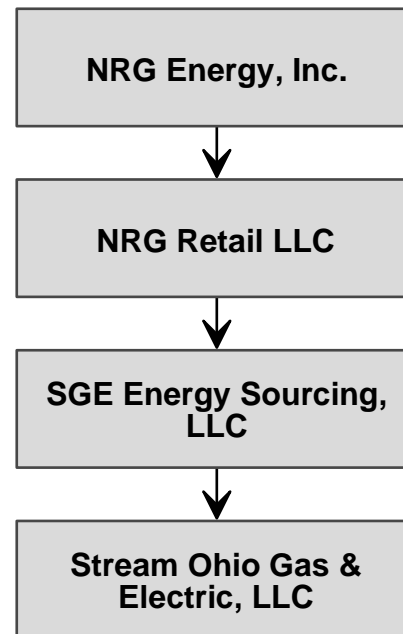

Exhibit D-2. Operations Expertise and Key Technical Personnel

Provide evidence of the applicant's experience and technical expertise in performing the operations described in this application. Include the names, titles, e-mail addresses, telephone numbers and background of key personnel involved in the operational aspects of the applicant's business.

Response:

Stream Ohio Gas & Electric, LLC has the necessary technical and managerial resources to comply with all scheduling, operating, planning, reliability, customer registration and settlement policies, rules, guidelines and procedures to operate as a retail natural gas supplier. Stream Ohio Gas & Electric, LLC has firsthand knowledge of customer operations and utility business management. Stream Ohio Gas & Electric, LLC will leverage its technical and managerial expertise in combination with its relationships with business partners as described in Exhibit D-1 to successfully develop and implement the infrastructure, systems, and processes to reliably provide service to Ohio consumers.

Further, Stream Ohio Gas & Electric, LLC intends to leverage its key internal operating personnel.
