Subject: RE: Draft AEP Ohio OVEC Audit

Hi Marie,

Please find attached Staff's initial comments on LEI's latest draft of the AEP Ohio, 2018-2019 PPA rider audit final report. This may help you get a head start on Staff's editorial suggestions. The comments can be discussed further at tomorrow's meeting.

**If you could please note that Staff still needs final acquiescence from PUCO Admin. regarding the overall tone of the draft report!

Staff's main observation regarding the tone of the draft is the following:

- Milder tone and intensity of language would be recommended such as the language on page 10, para 3: "Therefore, keeping the plants running does not seem to be in the best interests of the ratepayers."
- Reduced subjectivity and level of detail/specifics would be required such as the language on page 26, para 2: "HB 6 also provides subsidies for two large nuclear power plants in Ohio, and for that reason is the center of a federal bribery investigation. First Energy Corporation and the company's political action committee, and Generation Now, a 501 (c) (4) non-profit group are charged with paying \$60 million to advocate for the passage of HB 6. The case has led to federal charges against Ohio House Speaker Larry Householder and four associates."

I am attaching a redlined Word version of the draft for your perusal/review. If you could, please take a look and incorporate Staff's comments as far as possible? Please let me know of any questions, comments, and concerns.

Thank you

Okay, will do. Once we have your comments I'll have a good idea of how long it will take to address them, but I would guess we can complete it by the end of the week in any case, and likely sooner than that. So that means we can get the draft to Ed by this Friday 11th or maybe a day or so sooner, at least in electronic format. I think that the week that Ed wants for AEP Ohio review is reasonable, which means that they would get their review back to us by about Sept 18.th We would then address their comments (again, that should take a day or so, unless comments are extensive). Then we would provide you with the final report including workpapers the week of Sept. 21.

Best,
Marie

Hi Marie,
Staff should be able to communicate our comments on the draft by tomorrow's meeting.

If you could, please assess Edward's question based on this and let me know if you have any concerns with his request for a week to review the draft for confidentiality and factual inaccuracies?

Mahila/Marie

When can we expect the report to review for confidentiality and factual inaccuracies? We need a solid week really at least to review it. Please let me know. Thank you!

Dear Ed,

This is to confirm that LEI provided the draft OVEC audit report to the Commission Staff. The process now, as I understand it, is that Staff will review, and after that we will provide it to AEP Ohio for redacting. At that time, we can talk about a secure way to provide it to you, perhaps uploading to the data room. Thank you for all your help with the audit.

Best,

Marie

Subject: an edit needed for AEP Ohio OVEC final audit report

Hi Mahila,
I just realized there was an edit I wanted to make to page 10, where we said "However, LEI's analysis shows that the OVEC contract overall is not in the best interest of AEP Ohio ratepayers." that I missed in the last version of the report. I'll edit it when we get the version back from AEP Ohio next week-- I'll delete that sentence and tinker with the rest of the paragraph so it reads smoothly.
Best,
Marie
