Enter your question or comment:	<p>In regard to the Prairie Flyer project, I do not feel that the citizens of Vandalia were properly informed of this project with the pros and cons. At the public hearing last night, there were citizens who expressed the fact that it was the first time they had heard of it. Apparently the structure will be placed directly over an aquafer which is concern to citizens and myself. The safety precautions which will be taken also need to be fully explained to the citizens of the city. Thank you. Cindy Doogan, Vandalia City Council Member.</p>
