<b>Project Name:</b>	Clear Mountain Energy Center
<b>Enter your Comment or Complaint:</b>	I am writing to you as a resident who deeply values the principles of private property rights. Clear Mountain Energy Center presents an opportunity for landowners to choose how to make their land productive. It is their right to decide which in-demand commodity they'll produce. By approving the Conditional Use Permit, you demonstrate a commitment to responsible development that respects and upholds the freedom of landowners. When a private property owner is interested in using their land for what is arguably the most important available use, it is their right to pursue it. They should be treated the same as any other landowner considering a change in what they produce – entirely left in their own hands. Please allow this important opportunity to move forward.
