Enter your Comment or Complaint:	The truth has been shown again!! Savion collaborated with commissioner Forrest before the evidentiary hearing! And then Mr Forrest went on to lie about it! Savion has tried to bury the comment again that speaks of this truth, with comments from folks that are hundreds of miles away from the proposed project site!! Savion, please stop with the copy and paste, sign and upload comments! The comments are all pre-written and fake!! ALL locals to the project area strongly oppose Oak run!!!! Please I ask the OPSB to deny Oak Run!! Thank you!
