***Re: In the Matter of Ohio Power Company’s Generation  
Transition Docket, Case No. 17-882-EL-UNC***

Dear Ms. Troupe:

On behalf of Ohio Power Company (“AEP Ohio” or the “Company”), this report updates the Generation Transition docket under Paragraph III.D.12 of the Joint Stipulation and Recommendation in Case Nos. 14-1693-EL-RDR and 14-1694-EL-AAM (“PPA Rider Stipulation”). Since the time of the PPA Rider Stipulation, the affiliate PPA Units (Stuart, Zimmer, Conesville) have been sold and/or permanently closed. Further, through enactment R.C. 4928.148, the General Assembly provided that any former mechanism relating to OVEC that was authorized by the Commission is replaced by the mechanism provided for in that statute. Consequently, the generation transition docket should be considered moot as there is no ongoing basis to report on these issues, pursue additional documentation or conduct further proceedings in connection with the terms of the now-superseded PPA Rider Stipulation. Absent further direction by the Commission, AEP Ohio considers this letter the final report under the PPA Rider Stipulation.

Thank you for your attention to this matter.

Respectfully Submitted,

*/s/ Steven T. Nourse*
