**STAFF’S RESPONSE TO RESPONDENT’S REQUEST FOR DISMISSAL  
SUBMITTED ON BEHALF OF THE STAFF OF THE PUBLIC UTILITIES  
COMMISSION OF OHIO**

---

**I. INTRODUCTION**

The Transportation Staff of the Public Utilities Commission of Ohio (Staff) requests that the Public Utilities Commission of Ohio (Commission) deny Damarquis D. Owens’ (Respondent’s) request for dismissal of this case because it is an improper attempt to argue a matter that is already closed. On July 12, 2023, the Commission granted Staff’s motion to dismiss the Respondent’s request for administrative hearing in its Finding and Order (Order). The Commission correctly found that the Respondent’s payment of the civil forfeiture terminated further proceedings in this matter.

Pursuant to 4901-1-35, the Respondent may file an application for rehearing, within 30 days of a Commission order, in the form and manner and under the circumstances set forth in R.C. 4903.10. Nearly six months after the Commission’s Order granting Staff’s motion to dismiss, the Respondent filed a Request for Dismissal on January 11, 2024. Staff recommends that the Respondent’s Request for Dismissal be denied and that this case remained closed.

## II. DISCUSSION

On January 11, 2024, the Respondent filed a Request for Dismissal stating that because his case in the Barberton Municipal Court (Case No. TRD 2207091) was dismissed, he was not invalid at the time of the inspection.

Contrary to Respondent's claims, he was stopped by Ohio State Highway Patrol (OSHP) on October 9, 2022, in a vehicle unrelated to the inspection in this case. The stop itself did not render Respondent's license invalid.<sup>1</sup> On October 25, 2022, the Barberton Municipal Court issued an entry titled "DEFNDANT NOTICE OF NON-APPEARANCE NOTICE OF LICENSE FORFEITURE."<sup>2</sup> The notice goes on to say that the Respondent is "officially notified that thirty (30) days from [the] scheduled court date, [the Respondent's] driver's license will be reported the Bureau of Motor Vehicle (BMV) and declared forfeited."<sup>3</sup>

On November 23, 2022, the Respondent was sent a Declaration of Forfeiture.<sup>4</sup> This letter shows that the Respondent's license was declared forfeited as of November 23, 2022. The inspection at issue in this case was conducted on December 15, 2022. The forfeiture for failure to appear was not lifted until after the Respondent was inspected on December 15, 2022.

Respondent's claim that this case should be dismissed because it was dismissed in the Barberton Municipal Court is not a valid argument. The Respondent's license was not

---

<sup>1</sup> Exhibit A.

<sup>2</sup> Exhibit B.

<sup>3</sup> *Id.*

<sup>4</sup> Exhibit C.

declared forfeited because of the initial citation by OSHP for having expired tags.

Instead, the Respondent's license was forfeited for his failure to appear for his court date in the Barberton Municipal Court on October 24, 2022.

Despite the original violation in the Barberton Municipal Court being dismissed, the issue is not with the misdemeanor itself, but Respondent's failure to appear and subsequent license forfeiture with the BMV. This is not an issue of whether a matter was litigated, though later dismissed, at the municipal level. Rather, this case is about Respondent's license forfeiture that triggered the disqualification on his Commercial Driver's License (CDL) that was at issue at the time of inspection. The Respondent was not valid at the time he was stopped for inspection on December 15, 2022.

Respondent subsequently paid his forfeiture in this case and despite trying to reopen his case, the Commission denied that request. Staff's motion to dismiss was granted and Respondent should not be given another opportunity to have this case heard.

### **III. CONCLUSION**

Staff requests the denial of the Respondent's request to dismiss this case because it is an improper attempt to argue a matter that is already closed. The Respondent was not valid at the time of the stop due to his failure to appear for a court date in the Barberton Municipal Court, as shown by the certified records attached to this response. Respondent has not provided any additional information that would change the outcome of this case.

Staff respectfully requests that the Commission deny the Respondent's Request for Dismissal and officially close this case.

Respectfully submitted,
