**MOTION FOR EXTENSION**

---

Pursuant to Ohio Administrative Code Rule 4901:1-27-04 and 4901:1-27-07, Energy CX, LLC, (“CX”) seeks an extension of Certificate 20-748G, which was issued in Case No. 20-0168-GA-AGG with an expiration date of February 27, 2024. Due to an administrative oversight, CX inadvertently omitted to file its renewal application prior to the expiration date of its certificate. CX submits this Motion to request an extension of its current certificate, in accordance with Ohio Adm. Code 4901:1-27-4, to maintain the validity of its current certificate while the Commission reviews its new certificate application, submitted contemporaneously with this Motion.

CX respectfully requests that Certificate 20-748G be automatically extended from February 27, 2024, until the date that the new certificate is issued pursuant to Ohio Adm. Code 4901:1-27-04.

Respectfully submitted,

**MEMORANDUM IN SUPPORT OF  
MOTION FOR EXTENSION**

---

Due to an administrative oversight, CX inadvertently omitted to timely file its renewal application for Certificate No. 20-748G. CX sincerely apologizes for the delay and emphasizes its desire to continue to serve customers in Ohio. CX is filing this motion pursuant to O.A.C. 4901:1-27-04 to request that 20-748G be automatically extended during the pendency of the application review in Case No. 20-0168-GA-AGG so that CX can continue serving its customers.

Ohio Administrative Code Rule 4901:1-27-04 provides that a motion requesting an extension of a certificate will be deemed automatically approved if filed in conformance with 4901:1-27-07 unless ruled otherwise by the Commission or an Attorney Examiner within three business days. CX submits that it has met the criteria and respectfully requests an automatic extension of the expiration date of Certificate 20-748G issued in Case No. 20-0168-GA-AGG until such time as a new certificate is issued.
