Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Why is the Illuminating Company allowed to increase their rates by 12%? This is a ripoff of seniors living on a fixed income. It's your job to protect taxpayers not side with these utility companies.
