Subject: Support the Samsung solar project!

Dear Ohio Power Siting Board,

I am writing to express my strong support for the Samsung solar project in our community. This initiative creates local jobs for electricians and skilled workers, boosts our economy, and aligns with our state's goals of being less dependent on foreign energy.

The Samsung solar project offers a significant opportunity for economic growth and environmental sustainability. By approving this project, you will support local workers, stimulate our economy, and pave the way for a cleaner and more prosperous future for Stark County and Ohio.

Sincerely,
Mike Oakes
