23-0045-EL-BGN Renewable energy is playing an important role in helping reduce greenhouse gas emissions and supporting any project that helps with this gets a thumbs up from me. I urge the OPSB and local leaders to support the Clear Mountain Energy Center because of this and a host of other reasons such as fantastic economic benefits, support for property rights, and creating construction and maintenance jobs. I am a resident of Clermont County and I stand in support of the Clear Mountain Energy Center!
