Clear Mountain Energy Center, 23-0045-EL-BGN

Dear Ohio Siting Board,

Ohio Siting Board,

I am writing to express my strong support for the Clear Mountain Energy Center in our community. This initiative creates local jobs for electricians and skilled workers, boosts our economy, and aligns with our state's goals of being less dependent on foreign energy.

The Clear Mountain Energy Center offers a significant opportunity for economic growth and environmental sustainability. It will generate approximately \$940,000 in new tax revenue every year for the community. By approving this project, you will support local workers, stimulate our economy, and pave the way for a cleaner and more prosperous future for Clermont County and Ohio.

Sincerely,
Mr. Gerry Hamilton
