

DOCKETING CASE# 23-0045-EL-BGN

CUSTOMER NAME: Anonymous

COMPANY NAME: Clear Mountain Energy Center

CUSTOMER OF THE COMPANY?: No

FOR OPSB CASE, RESIDES IN PROJECT AREA?: Yes

SERVICE ADDRESS: Batavia, OH, Ohio (Clermont)

COMMENT DESCRIPTION: I currently reside in the county. I do not support this case. After attending multiple educational sessions. This project is supported primarily by those that do not reside in the area. There are not clear expectations, planning, and accountability measures in place for the provider (Clear Mountain Energy Center) to perform this project. There is poor oversight for this planning that exposes the environment, the local community, and residents to risk. This project appears to be grandfathered into existence when the current public sentiment of local residence appears to be against it.
