Case No. 03-888-AU-ORD

**THE DAYTON POWER AND LIGHT COMPANY'S
APPLICATION FOR TEMPORARY WAIVER of O.A.C. 4901:1-18-05(A)(5)(e)**

Now comes The Dayton Power and Light Company ("DP&L") and pursuant to O.A.C. 4901:1-10-02(C) hereby submits its Application for a Short-Term Waiver, of O.A.C. 4901:1-18-05(A)(5)(e).

Pursuant to the adopted amendments to Chapter 18 of the Ohio Administrative Code, specified utilities within the jurisdiction of the PUCO were ordered to submit a copy of their disconnection notices to the Commission's Staff. Staff reviewed the Notice

that DP&L submitted and discussed with DP&L its expectations pertaining to its interpretation of the recent amendments. DP&L's current Disconnect Notice informs the customer that if service is disconnected a reconnection charge will be required and a deposit may be required to restore service. Staff indicated its belief that to comply with O.A.C. 4901:1-18-05(A)(5)(e) as amended, a specific dollar amount for each deposit should be listed as opposed to presenting the customer with a formula for the deposit. After these discussions with Staff, and in light of the Commission's recent denial of another EDU's request for a long-term waiver of this same requirement in Case No. 03-888-AU-ORD, DP&L has agreed to make Staff's suggested changes.

In order to implement Staff's suggestions, DP&L will need to make some time consuming programming changes to reflect on its disconnection notice the actual dollar amount of the security deposit that may result if payment is not made by the date specified on the notice. Accordingly, DP&L requests the Commission grant a waiver of Rule 4901:1-18-05(A)(5)(e), Ohio Administrative Code until June 30, 2005 to allow DP&L to complete the programming.

Wherefore, DP&L respectfully requests that the Commission grant it a short-term waiver of O.A.C. 4901:1-18-05(A)(5)(e).

Respectfully Submitted,

Joseph Strines
