Transmission Issues Meeting Announcement

RE: Case No. 99-1212-EL-ETP, 99-1658-EL-ETP, 99-1687-EL-ETP, 99-1729-EL-ETP, 00-02-EL-ETP, 00-617-EL-COI

In Case No. 00-617-EL-COI the Commission ordered all electric utilities under the jurisdiction of this Commission to meet and "...initiate a dialogue to bring resolution to the transmission "seams" issues caused by the regional transmission entities planned for the state retail market." The date set for this initial meeting is **May 4, 2000**. The meeting will begin at **9:30 a.m.** at the PUCO in room 11-D.

The meeting will be used to address transmission related issues identified in the utility transition plans and include, but not be limited to, the following topic areas:

1. Pricing of Transmission Service
2. Congestion Management
3. Regional Planning
4. Coordination of Operations including ATC, inter-RTE loopflows, and information sharing.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
