Dear Ms. Crockron:

On May 27, 1998, AT&T filed an application for a waiver of the requirement that its competitive telecommunications service (CTS) filings be governed by the Local Service Guidelines. In its May 11, 2000 Finding and Order in Case No. 99-563-TP-COI, et al., the Commission determined that CTS providers with CLEC operations can retain full 89-563 flexibility for certain CTS offerings. Therefore, AT&T would like to withdraw its application for waiver without prejudice to AT&T's right to file a similar waiver in the future if necessary.

Please call me on 614-228-7959 should you have any questions relating to this matter.

Sincerely,

Elizabeth Finnerty
