GENERAL RULES AND REGULATIONS

PROCEDURES FOR DISCONNECTION OF SERVICE (continued)

E. Disconnection of Service for Failure to Pay Interexchange Carrier Toll Charges:

1. In addition to the above provisions, the nonpayment of toll charges may result in the disconnection of toll service.
2. The Telephone Company may disconnect the toll service of a customer who fails to pay charges for toll service provided by the Telephone Company or by interexchange carriers (IXC's) for which the Telephone Company provides billing and collection services and from which the Telephone Company purchases the associated accounts receivable in advance.
3. Disconnection of a customer's toll service for nonpayment of toll charges shall be made in accordance with the rules as specified in this section, as well as the Minimum Telephone Service Standards contained in the Ohio Administrative Code of Rules and Regulations.
4. The Telephone Company will apportion partial payments to regulated local service charges before applying them to toll charges.
5. The Telephone Company shall respond promptly to customer inquiries pertaining to charges for toll service, either by handling the inquiry itself, or referring it to the IXC, depending on the nature of the customer's inquiry.
6. Disconnection of a customer's toll service for nonpayment of toll charges shall be accomplished through universal toll blocking, offered to all toll service providers on a nondiscriminatory basis. Toll disconnection service shall be provided as follows: (T)

Universal Toll Blocking

Non-Recurring Charge

\$5.00/Customer Disconnected, plus the service order and central office connection charges set forth in Section No. 2, Sheet No. 4 of this tariff.

Access Service Tariff

A. General

(D)

Selective Carrier Denial

Selective Carrier Denial limits the Company's customer access to the requesting toll service provider's facilities, including 10-XXX and 0-dialing. After subscribing to this service, the carrier provides the Company with a list of subscribers who should be denied access to the carrier's facilities and a list of previously denied subscribers who should regain access.

B. Regulations

(T)

1. The Company will provide the service, on a nondiscriminatory basis, to all toll service providers.
2. Carrier Toll Restriction Service is offered subject to the availability of suitable facilities and is limited to central offices specifically equipped to provide the service.
3. The Company shall not be liable to the carrier or to any other person or entity for damages of any nature or kind arising out of, resulting from, or in connection with the provision of the service, including without limitation, the inability to access the operator or any non toll-free number for any purpose.
4. Carrier Toll Restriction Service does not provide restriction of non-chargeable calls to numbers such as repair service, public emergency service (i.e. 9-1-1), 1 + 800 calling, or local directory assistance (DA) service in the event charges do not apply to the provision of DA.
5. Carrier Toll Restriction Service will be provided to Residence One-Party, Business One-Party and Business Trunk customers. Carrier Toll Restriction Service will not be provided with party-line Centrex services.
6. The minimum contract period for Carrier Toll Restriction Service is one month.
