Re: The Dayton Power and Light Company Case Nos. 02-2779-EL-ATA and
89-6004-EL-TRF

Dear Mr. Hengely:

The Dayton Power and Light Company herewith submits four (4) copies of its tariff sheet for Electric Service (P.U.C.O. No. 17) tariff sheet G22. The tariff sheet is intended to cancel and supersede all preceding sheets, and bear an effective date of January 1, 2004. The Electric Generation Service Shopping Credit Tariff Sheet corrects a tariff that is currently on file at the Commission.

The Tariff should be filed in the following manner: one copy docketed in Case No. 02-2779-EL-ATA, one copy docketed in Case No. 89-6004-EL-TRF, and two copies distributed to Commission Staff. A fifth copy has also been provided. (Please time-stamp the additional copy and return it to me in the envelope provided.) I will also e-mail an electronic version of the tariff updates to you on Friday March 4, 2005.

Please contact me at (937) 259-7808 if you have any questions. Thank you very much for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Dona R. Seger-Lawson".

Dona R. Seger-Lawson
Director, Regulatory Operations

P.U.C.O. No. 17
ELECTRIC GENERATION SERVICE
SHOPPING CREDIT

Any Customer that elects Competitive Retail Generation Service, according to Tariff Sheet No. G9, during DP&L's Extended Market Development Period, January 1, 2004 through December 31, 2005, will receive a Shopping Credit as stated below as such rate coincides with the Customer's Voltage Level of Service. Beginning January 1, 2006 the rate contained in the applicable Standard Offer Tariff Sheets G10 through G18 based on the customers voltage level of service will be avoided when a customer elects Competitive Generation Service according to Tariff Sheet No G9.

SHOPPING CREDITS:

Residential	
Energy Charge (0-750 kWh)	\$0.05338 /kWh
