FOR EXTENSION OF TIME FOR FILING COMMENTS**

By Entry dated April 27, 1998 the Ohio Power Siting Board issued a set of proposed revisions to the Board's rules in Chapters 4906-1, -5, -7, -13 and -15, Ohio Admin. Code. The Board invited interested parties who wish to file comments on the proposed rules to do so by May 11, 1998. The above-named companies request an extension until May 26, 1998, for the filing date for comments.

Therefore, the above-named companies request that the Board extend the due date for comments to May 26, 1998.
