C. EXTENDED AREA SERVICE

Extended Area Service (two-way non-optional flat rate service) is furnished to the subscribers of this exchange to the Akron, Ohio exchange of the Ohio Bell Telephone Company.

D. SERVICE CONNECTION CHARGES

For all telephone service connections ordered by a subscriber for installation at the same time and considered standard by the Telephone Company, the following nonrecurring charges will apply:

- |    |  |           |
|----|--|-----------|
| 1. | <u>Initial Service Order Charge</u>      | \$15.00 * |
| 2. | <u>Initial Service Connection Charge</u> | \$25.00 * |
| 3. | <u>Subsequent Service Order Charge</u>   | \$ 5.00   |

Receiving, recording and processing information necessary to execute a customer's request for a change of service.

\* Payment of the Initial Service Order Charge and the Initial Service Connection Charge may be spread over three (3) months.

3. Pay Station Charges

Local messages from all pay stations will be charged at the rate of ten cents for each completed outward call. Toll messages will be charged at the established toll rates.

End user paystation coin rates are effective until October 7, 1997, at which time such rates will be deregulated and detariffed pursuant to the FCC's Report and Order in Docket No. 96-128 issued September 20, 1996.

D. PRIVATE LINE CHARGES

Private line charges covering the furnishing of a pair of wires not connected throughout the switch of the Telephone Company will be furnished at any location within the exchange boundary limits at a rate equal to the monthly business or residential rate, depending on the nature of the line. The Company reserves the right to control the current flow over any cable pair leased.

E. CONSTRUCTION CHARGES

1. Private Right-of-Way Construction

When an applicant is so located that it is necessary to use a private right-of-way to furnish service, and the Telephone Company is unable to obtain the required right-of-way without additional expense, the applicant may be required to pay the expense (or rental) incurred by the Telephone Company in securing and retaining the right-of-way.

For the construction of all poles and wires on private property the Telephone Company may make a charge based on time and materials or the actual cost of

H. TOUCH TONE SERVICE

Touch tone service is included in the individual access line rate, set forth in Section 2, Sheet No. 1 of this tariff.

(C)

Customers who do not have Touch Tone Service as of the Effective Date below will be grandfathered and will receive a lower rate that excludes the integrated \$1.50 touch tone charge. However, any subsequent change to service, or disconnection followed by reconnection, will result in the loss of the grandfathering exception and will require that customer to upgrade to Touch Tone Service.
