RE: Case No. 90-2021-TP-ATA
Case No. 96-899-TP-ALT
Case No. 93-1020-TP-ATA

Dear Ms. Crockron:

On April 1, 2002 Cincinnati Bell Telephone Company (CBT) filed applications to revise its **General Exchange Tariff PUCO No. 8** in order to conduct two promotions. The first promotion offered business customers the opportunity to purchase a bundle of business services at a rate that is less than if the services were purchased individually. The second promotion offered business customers a waiver of the nonrecurring charges associated with the purchase of specific business services as listed in the promotions. Both of these promotions were scheduled to end December 31, 2002.

With this filing CBT is requesting permission to **revise the ending dates of these two business service promotions to February 1, 2003**. All other terms and conditions relating to these promotions, which were previously established, will continue to apply. Enclosed are the original and three copies of the revised promotional tariffs.

Any questions regarding this transmittal should be directed to me at 513-397-1296.

Please date-stamp and return the enclosed duplicate of this transmittal to acknowledge receipt.

Sincerely,

Kathy Reid
