ENTRY

The attorney examiner finds:

- (1) On January 24, 2001, Ohio Partners for Affordable Energy filed three separate motions requesting that the Commission require the electric utilities in the above-captioned cases to comply with certain provisions of Chapter 4928, Revised Code, regarding forgiveness of arrearages for elderly and disabled customers, the right to collect Percentage of Income Payment Plan program arrearages, and the collection of Universal Service Fund revenues. These motions were filed in the electric transition cases of the electric utilities.
- (2) The examiner believes that administration of these motions would be served better if separate UNC dockets were initiated to address these matters. Accordingly, all further pleadings or responses to these motions should be filed in the above-captioned UNC dockets only.

It is, therefore,

ORDERED, That the above findings be observed. It is, further,

ORDERED, That a copy of this entry be served on all parties of record.
