Re: PUCO Case No. 05-765-EL-UNC

To All Parties of Record:

Columbus Southern Power Company (CSP) today submitted to the Commission's Docketing Department two copies of a revised certified service territory boundary map which will be placed in the Commission's map files. The revised boundaries reflect CSP's acquisition of the former Ohio service territory of Monongahela Power Company (Mon Power). Mon Power is satisfied that the revised maps accurately reflect this change in CSP's service territory.

Very Truly Yours
