S9.5 Custom Calling Local Area Signaling Service - Per Use

(M)

S9.5.1 General

- A. The services listed below are offered on a per usage basis to residence and business customers in exchanges with equipped property central offices and are subject to the limitations for each service in Section 3 of this tariff. If customers subscribe to these services on a monthly basis as described and rated in other subsections of this section of the tariff, unlimited access is provided with no additional charge for each activation. If facilities permit, the features listed below may be utilized on a non-subscription basis with a per use charge for each activation.
- B. Custom Calling Local Area Signaling Service - Per Use will be offered free of charge for up to thirty (30) days after facilities, which allow these services to be offered are added.
- C. Blocking of Per Use Custom Calling Services is offered to customers at no charge. This blocking option, once activated, does not allow Per Use Custom Calling Services to be activated on a line.
- D. The services listed below are being offered with a cap on the total charge for any one Per Use Custom Calling Service per line for one billing month.
