The Commission finds:

- (1) The Applicants, The Toledo Edison Company, The Cleveland Electric Illuminating Company and Ohio Edison Company, are public utilities as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction of this Commission.
- (2) On March 20 and June 6, 2006, the Applicants filed applications seeking approval of various textual revisions, without change of intent.
- (3) The Applicants currently offer a State kWh Tax Self-Assessor Credit Rider and are proposing extending the rider beyond the expiration of the Market Development Period. The rider was effective for years 2001 through 2005.
- (4) The kWh reference in the State and Local Tax Rider is being changed from 120,000,000 to 45,000,000 in accordance with Revised Section 5727.81 of the Revised Code.
- (5) Several corrections have been made to tariffs to coincide with the manner in which customers who self-assess are billed. In the "Applicable Riders" section, where applicable, the Applicant has eliminated or added the appropriate "State kWh Tax Self-Assessor Credit Rider" reference.
- (6) The Commission finds that the proposed tariffs as modified are reasonable. Therefore, the proposed tariffs should be approved.
- (7) The applications as modified have been filed pursuant to Section 4909.18, Revised Code, and the Commission finds, as the Applicants allege, that they are not for an increase in rates and do not appear to be unjust or unreasonable and should be approved.
