A. Regulations

1. Off-peak toll service is an optional offering involving one-way customer-dialed only calling to exchange areas within the State of Ohio that are not over 22 airline miles (defined in Part 9, Section 1 of this tariff) from the exchange area in which the customer is located.
2. Off-peak toll service is provided subject to the availability of message toll telephone service facilities. In case a shortage of facilities exists, the provision of message toll telephone service shall take precedence over this service.
3. Off-peak toll service is provided for all residence customers and on all lines and trunks for non-residence customers.
4. Off-Peak toll service will be offered in an exchange area at the option of the serving telephone company, or upon application to such company of 5% or 100 customers in that exchange area, in any of the following mileage bands to be designated by the serving telephone company: 10, 16 or 22 airline miles.

The Ohio Bell Telephone Company will only offer a single service covering 0-22 miles but other concurring telephone companies may elect shorter distances.

5. Off-peak toll service is available from 3:00 PM on any week day to 9:00 AM the following week day, from 3:00 PM on Friday to 9:00 AM the following Monday and on Holidays as defined in Part 9, Section 1 of this tariff.
6. Off-peak toll service will not be furnished with foreign central office or foreign exchange services set forth in Part 4, Section 3 of this tariff.

Issued: August 15, 1997
