Dear Ms. Wissman:

**Standard Application As Amended
Crissinger-Tangy 138 kV
Kirby-Tangy Portion**

Case No. 91-1229-EL-BTX: Original Application
Case No. 94-1213-EL-BTX: Tawa Road Area Amendment
Case No. 94-1214-EL-BTX: Brindle Road Area Amendment
Case No. 94-1215-EL-BTX: Smart Road Area Amendment
Case No. 94-1779-EL-BTX: Smokey Road Area Amendment

One of the certificate conditions for the captioned project ordered Ohio Edison to provide to the Staff the date on which construction was completed and the date on which the facility began commercial operation.

The construction for the Kirby-Tangy portion of the subject project was completed on December 5, 1996, and placed in service on December 9, 1996. This letter completes the required OPSB certificate approval conditions for the Crissinger-Tangy 138 kV Transmission Line Project.

Very truly yours,

G. L. Cunningham
