Public Utilities Commission of Ohio
180 East Broad Street
Columbus, Ohio 43215-3793
RE: Case No. 05-376-EL-UNC

Dear Commissioners:

First, let us take the opportunity to thank you for holding a public hearing regarding the proposed cost recovery plan for AEP's IGCC plant on August 4th at Meigs High School in Pomeroy, Ohio. As seen by the attendance at the hearing, it is very important to our county and region to be involved in this process. We appreciate the PUCO's attention to our thoughts and appreciate the venue to express them.

At the hearing, attendees were encouraged to sign in on a sheet provided by our offices to add to our growing file of interest, support, questions and concerns in this project by AEP. We have enclosed copies of these sign-in sheets, as well as, our address database on a disk for your review.

A manual count of attendees revealed 177 participants at the hearing. Therefore, the sign-in sheets reflect nearly 75% of the attendees. We are very pleased with this data collection and hope that you might find it useful.

Again, we thank you for your interest in our county and surrounding counties. We look forward to the results and examination of AEP's cost recovery plan. If we can be of any service to your organization, please contact us at 740-992-3034.

Sincerely,

J. Michael Gulliver, Director
Meigs County Economic Development

Erin K. Roush, Coordinator
Meigs County Chamber of Commerce
