Columbus, Ohio 43215

Mr. Glazier

I am letting my wishes be known to the PUCO commission regarding telephone area code changes for my town. . . business.

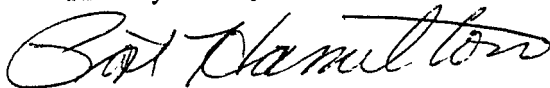

I would prefer keeping the 614 area code, working with GTE.

My second choice would be 937 along with Marysville and the rest of Union County.

What is proposed is 740 for my area which is neither of the above and makes no sense to me to have Union County split in the middle with 937.

I'm also wondering why we can't have local internet access available to us. We can not call any town without being a toll call. Toll free internet access would be a blessing to my business.

Thank you for your time,

Pat Hamilton  
owner
