Re: Case No. 05-376-EL-UNC

Dear Mr. Lesser and Ms. See:

I write in response to OCC's letter concerning the filing of Supplemental Testimony in this case. Without commenting on the merits of OCC's assertions in the first two paragraphs of its letter, the Companies wish to indicate that they will not oppose OCC's request to file such testimony on August 3, 2005 based on documents to which it previously did not have access.

The Companies do request, however, that in light of the prior extension provided to all intervenors for filing their testimony, that the Companies be given until August 3, 2005 to file any Supplemental Testimony they might have.

Very truly yours,

Marvin I. Resnik
