A. Regulations

1. The Telephone Company furnishes Directory Assistance Service whereby customers may request assistance in determining telephone numbers.
2. The charges specified in Section B. for Directory Assistance Service are not applicable to calls placed from pay telephone stations, or from hospitals and skilled nursing homes. For the purpose of this tariff, the term "skilled nursing homes" applies to those nursing homes that provide 24 hour per day professional nursing care.
3. Directory assistance service furnished to the visually or physically handicapped:
 - a. Charges for Directory Assistance Service are not applicable to calls placed by visually or physically handicapped subscribers to the Directory Assistance attendant. Such person must make application to the Telephone Company for exemption and will be required to provide suitable proof of handicap. Such application shall be established by the following procedures:
 - (i) A letter to the Telephone Company from a qualified professional familiar with the person's visual or physical impairment stating that the person qualifies for the exemption, or
 - (ii) The filling out of a prepared form made available by the Telephone Company, by a qualified professional familiar with the person's visual or physical impairment.

 - b. Residential impaired customers or impaired members of a customer's household, upon written application and upon certification of their impaired status, which is evidenced by either a certificate from a physician, health care official or state agency or a diploma from an accredited educational institution for the impaired, may receive a discount off their message toll service rates, and, if they utilize telebraille devices, they may receive free access to local and intrastate long distance directory assistance.
