SECTION 1 - APPLICATION OF TARIFF

- 1.1 This tariff sets forth general terms and conditions applicable to all intrastate regulated telecommunications services offered by TCG Ohio ("TCG") within the local exchange service area as defined herein. Service offerings, rates, and conditions applicable to specific service offerings are set forth in other tariffs of TCG and are in addition to the general regulations contained herein.
- 1.2 When services and facilities are provided in part by TCG and in part by other companies, the regulations of TCG apply only to that portion of the service or facilities furnished by it.
- 1.3 When services and facilities provided by TCG are used to obtain access to the regulated or unregulated services provided by another company, or are used by another company as a part of the regulated or unregulated services offered by that company, the regulations of TCG apply only to the use of TCG's services and facilities.
- 1.4 TCG may offer various unregulated services in conjunction with or ancillary to its regulated services from time to time. TCG may, at its option, file tariffs with the Public commission pf Ohio ("Commission") describing the rates, terms, and conditions of unregulated services. Any unregulated services not described in such tariffs will be governed by contract between TCG and the Customer.
- 1.5 Services, features and functions will be provided where facilities, (N) including but not limited to, billing capability, technical capability and the ability of the Company to purchase unbundled network elements ("UNEs") (as that term is defined by applicable law), either alone or in combination (including a combination of unbundled switching with other UNEs), are available. The Company reserves the right to modify its terms and conditions, upon 30 days notice, in the event that changes occur (including regulatory changes) which affect either the availability of facilities to the Company or the terms and conditions upon which they are obtained. The foregoing is in addition to all other existing rights retained by the Company to modify or terminate any contract or tariffed service at any time. In this event, customers shall have an opportunity to cancel contracts or tariffed services without penalty.
- 1.6 The Company reserves the right to increase charges for the services provided to the customer, regardless of any term commitment, as a result of (a) expenses incurred by the Company reasonably relating to regulatory assessments stemming from an order, rule or regulation of any regulatory authority or court having competent jurisdiction, (b) other governmental charges or fees, (c) charges or payment obligations imposed on international calls to mobile numbers, or (d) reductions in amounts other carriers are required to pay the Company or increases in the amount the Company is required to pay to other carriers. In this event, customers shall have an opportunity to cancel contracts or tariffed services without penalty. (N)
