OFFICE OF CHAIRMAN
P.U.C.O.

Dear Mr. Glazer:

Please accept this letter as input on the area code changes being proposed for Union County. Of course, any change in area code brings hardship to equity school districts such as our own in terms of updating publications, parent information, and phone systems.

If our area code is to be changed, please consider making a change that is uniform to all of Union County. We support the request of the Richwood Village Council in asking that all of Union County be assigned the 937 area code. This would greatly simplify operations for a rural school system such as ours that spans over 160 square miles.

We urge you to carefully consider a unified area code assignment for Union County.

Sincerely yours,

Carol S. Young
