Re: MCImetro Access Transmission Services LLC  
Maximum Security Collect Service  
Case No. 05-888-TP-ZTA  
Case No. 90-9006-TP-TRF

Dear Ms. Jenkins:

By its finding and order of May 10, 2006 in Case No. 05-888-TP-ZTA, the Commission granted the application of MCImetro Access Transmission Services LLC, now /d/b/a Verizon Access Transmission Services ("MCImetro"), for approval of new tariff provisions governing its Maximum Security Collect service. Pursuant to the Finding and Order, MCImetro submitted, in final form, three printed copies of the new tariff provisions on May 15, 2006. It has come to our attention that the revised Price List tariff sheet, 6<sup>th</sup> Revised Sheet 10, which identifies the per call charge for the new Billable Local Exchange Company Program, was inadvertently omitted from this filing. Enclosed are three copies of 6<sup>th</sup> Revised Sheet 10 for filing in the above-referenced dockets. This sheet replaces 5<sup>th</sup> Revised Sheet 10, which should be withdrawn and cancelled. Although the Commission, by its entry on rehearing of June 28, 2006, subsequently ordered a minor change in the Billable Local Exchange Company program, this change has no effect on the Price List tariff sheet.

Thank you for your attention to this matter. Please contact me if you have any questions.

Sincerely,

*Barth E. Royer*
