**AT&T INTRASTATE SERVICES AGREEMENT ATTACHMENT  
BETWEEN**

**AND  
AT&T Corp.**

1. **Service Provided** AT&T will provide to Customer the intrastate services specified in the attached Schedules, in accordance with the provisions of the applicable AT&T intrastate tariff governing the Intrastate Services ("Applicable Tariffs"), as changed from time to time. In the event an Applicable Tariff is withdrawn by AT&T or the tariffing is no longer permitted or required by the appropriate regulatory body of a state in which Intrastate Services are to be provided (the "Commission"), the terms of the last tariffed service offering will continue to govern the provision of such service in that state for the remainder of the term, except that rates will continue to fluctuate to the same extent that they could before detariffing.
2. **Term** - This Attachment shall become effective when signed by both parties and any required tariff, price list, or other documentation is filed with the appropriate regulatory body of the state in which the Intrastate Services are to be provided and the Commission, if required, authorizes the rates, charges, terms and conditions agreed upon herein ("Effective Date"). This Attachment shall be coterminous with the Agreement, and Intrastate Services in a state will be provided beginning the first day of Customer's first full billing cycle after the Effective Date of this Attachment for such state, which is referred to as Customer's Initial Service Date ("CISD"). Upon termination of this Attachment, all service components remaining in service will be provided by AT&T subject to AT&T's standard rates and terms and conditions governing such service. However, this Attachment shall automatically terminate upon termination or expiration of the Agreement. No renewal option is available.
3. **Charges** - The contract price and any related terms and conditions for the Intrastate Services are set forth in the Schedules to this Attachment.

AT&T reserves the right to increase from time to time the rates for the Intrastate Services provided under this Attachment, regardless of any provisions in this Attachment that would otherwise stabilize rates or limit rate increases, relating to charges imposed on AT&T stemming from an order, rule or regulation of the FCC, the Commission or a court of competent jurisdiction, concerning: (i) payphone use charges, (ii) universal service fund ("USF") charges and (iii) presubscribed interexchange carrier charges ("PICCs"). AT&T will make rate adjustments under this provision as necessary.

4. **Eligibility** - The prices contained in this Attachment are contingent upon Customer subscribing to interstate services under an AT&T Interstate Virtual Telecommunications Network Services Agreement having a minimum annual charge in the aggregate of at least \$9,000,000.
5. **No Additional Discounts** - The rates for Intrastate Services provided under this Attachment are in lieu of, and not in addition to, any and all other AT&T promotions, discounts, credits and waivers to which Customer is, or would otherwise be, entitled to receive for the Intrastate Services. However, this shall not prohibit Customer from receiving any credits, discounts or promotions for which it would be entitled to under any AT&T interstate agreement.
6. **Commission Jurisdiction** - This Attachment is subject to the jurisdiction of various Commissions and each Schedule shall therefore be subject to such changes or modifications as the controlling Commission may direct from time to time in the exercise of its jurisdiction. Therefore, for this purpose, each Schedule will be deemed to be a separate agreement and the parties' obligations with respect to the Intrastate Services to be provided in a specific state shall be construed and interpreted under the laws of that state, excluding its choice of law rules. Either party may terminate an affected Schedule if the Commission of the corresponding State changes its rules or regulations or issues an order or a ruling (or a court of competent jurisdiction issues such an order or a ruling) which materially and adversely affects that Schedule or the ability of AT&T to provide the Intrastate Service in accordance with the prices, terms and conditions set forth therein or incorporated therein by reference.
