Dear Ms. Crockron:

Enclosed please find the original and eleven (11) copies of the following tariff sheet:

General Exchange Tariff, P.U.C.O. No.5

Price List, Section 37, Sixth Revised Sheet 3

This filing is being submitted to offer a special promotion for new non-Sprint business customers. The promotion will be offered beginning on September 16, 2002 and ending on December 1, 2002.

During the promotional period, the Company will waive all regulated tariffed nonrecurring installation and service charges for all services installed under the same order when non-Sprint business customers establish a new account and subscribe to any business local exchange service, Centrex or Translink Service. Business local exchange service included in a Sprint SolutionsSM Business Package is also included in the local exchange services that qualify customers for the waiver of nonrecurring charges.

The customer's total monthly billed amount must be at least \$50.00. That amount does not include deregulated charges, taxes, late payment charges, charges billed pursuant to federal or state access service tariffs, charges collected on behalf of municipalities, (including but not limited to services for 911 service and dual party relay services), and charges for services provided by other companies. If the customer's total monthly billed amount is less than \$50.00, they will be billed the appropriate nonrecurring and service charges associated with the services they have subscribed to.

Existing business customers who establish a new account at a new location are eligible for this promotion upon request. This promotion does not apply to moves, changes, or additions to a customer's existing business account.

If you have any questions or need further information regarding this filing, you may call Becky Donahue at 614-220-8624.

Sincerely,

Darlene N. Terry
