COMPLETE CONNECTIONS SERVICE

II. Business

A. General

1. Business Complete Connections Service is a nonresidential service package that provides a flat rate, extended area service, individual line as described in the Company's Exchange Rate Tariff (ERT) PUCO No. 3, in combination with customer selected optional features. Measured Rate Service is not provided with Business Complete Connections. Business Complete Connections provides unlimited use of the optional features specified below. Subscriber may select any of the features, where available. Customer must specify which features they want included at the time that they place their order. Descriptions of these features can be found in CBT's tariffs as noted below.
 - a. Calling Name and Number (GET Section 35)
 - b. Call Waiting/Call Waiting Deluxe (GET Section 25)
 - c. Call Forwarding Variable (GET Section 25)
 - d. Call Forwarding Don't Answer (GET Section 25)
 - e. Call Forwarding Busy Line (GET Section 25)
 - f. Speed Calling 30 Number Capacity (GET Section 25)
 - g. Distinctive Ringing (GET Section 25)
 - h. Three Way Calling (GET Section 25)
 - i. Message Waiting Indicator (GET Section 25)
 - j. Voice Mail Support Package (GET Section 25)
 - k. Call Transfer (GET Section 25)
 - l. Anonymous Call Rejection (GET Section 35)
 - m. Repeat Dial (GET Section 25)
 - n. Call Return (GET Section 35)
2. Features associated with an individual service package are per line. Features cannot be split between lines.
3. The Local Service Areas for Business Complete Connections are the same as the Local Service Areas defined in Section 3 of the Company's ERT. Community Connection Service charges, as describer in Section 1 of the Company's ERT, apply to Business Complete Connections Service when appropriate. All rules, regulations and limitations for the optional features specified in the noted tariff sections apply to Business Complete Connections.
4. Features that are selected by a subscriber to be included in the Business Complete Connections package are not eligible for any additional discounts or credits. In particular, discounts and/or credits included in Sections 25 and 35 of this tariff do not apply to services a customer selects for Business Complete Connections.

Note: Not all features may be compatible on the same line.

COMPLETE CONNECTIONS SERVICE (Cont'd)

II. Business

A. General (Cont'd)

5. An existing nonresidential flat rate individual line service subscriber who converts to Business Complete Connections Service will pay the nonrecurring charge described in Paragraph B below. When establishing Business Complete Connections Service as a new service or when moving a service to a different address the nonrecurring charge to establish an access line as described in the Company's ERT, Section 2, will also be applicable.
6. Business Complete Connections subscribers are not eligible for special promotions that may be applicable to the individual features included in a Business Complete Connections Package unless Business Complete Connections Service is specifically noted for inclusion.
7. Customers subscribing to Business Complete Connections Service may change features at anytime without incurring a charge for making such change once Business Complete Connections has been established. However, customers changing their telephone numbers (except for Distinctive Ringing) will be billed the nonrecurring charge as specified in the Company's ERT, Section 2.
8. All charges (such as End User Common Line, E-911 Service, taxes and other surcharges) normally associated with Flat Rate Access Line service will be billed in addition to the Business Complete Connections Service charges.

B. Rates and Charges (Notes 1 & 2)

	Nonrecurring Rate	Monthly Rate	USOC
Business Complete Connections Package (per line)	\$10.00	\$69.95	C5PEX

Note 1: Rates include the monthly charge for a nonresidential access line.

Note 2: Rates are applicable for all Rate Bands.
