Case No. 9C-5032-TP-TRF

Dear Ms. Crockron:

Attached are three sets of revised tariff pages to be filed in your copy of the Ameritech Operating Companies Access Service Tariff, F.C.C. No. 2.

Please be advised that with this filing, Ameritech is proposing to revise the nonrecurring installation charge waiver language filed in Transmittal No. 1246. In addition, Ameritech is proposing to include language which was inadvertently omitted in the Renewal section and the list of Comparable non-tariffed Rate Elements. These revisions are being proposed to provide consistency across SBC's MVP tariffs.

Should you have any questions or require additional information, please contact me at 614 223-8184.

Very truly yours,

A handwritten signature in cursive script, reading "Susan Drombetta", is written over a horizontal line.

Attention: Common Carrier Bureau

The accompanying tariff material, issued by Ameritech Operating Companies (Ameritech) and bearing Tariff F.C.C. No. 2, is sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended.

This filing, issued under authority of Special Permission No. 00-085, scheduled to become effective September 1, 2000, consists of tariff pages as indicated on the following Check Sheets:

On August 25, 2000, in Transmittal No. 1246, Ameritech filed Managed Value Plan (MVP). Ameritech has discovered inconsistencies between its MVP tariff and SWBT's MVP tariff filed under SWBT Transmittal No. 2843.

With this filing, Ameritech is proposing to revise the nonrecurring installation charge waiver language filed in Transmittal No. 1246 to reflect what was filed in SWBT's MVP in Transmittal No. 2843. In addition, Ameritech is proposing to include a sentence inadvertently omitted from the Renewal section of its MVP tariff. Finally, Ameritech is proposing to add "Broadband Services" to the list of Comparable Non-tariffed Rate Elements under Section 19.3(D), which was inadvertently omitted. These revisions are being proposed to provide consistency across SBC's MVP tariffs.

No supporting information as discussed under Sections 61.38 and 61.49 of the Commission's Rules is required with this filing.

In accordance with Section 61.32(b), the original Transmittal Letter, the Federal Communications Commission Form 159 and the filing fee have been submitted to a courier service for delivery to the Treasury Department lockbox located at the Mellon Bank in Pittsburgh, Pennsylvania.

In accordance with Sections 61.32(a) and (c), the appropriate tariff pages are hereby delivered to the Secretary, Federal Communications Commission and the Chief, Tariff and Pricing Analysis Branch. These actions have been committed on the date established as the issued (filed) date as reflected above.
