RE: ICG Telecom Group, Inc.  
Case Nos. 96-611-TP-UNC and 97-160-TP-NAG

Dear Mr. Duffy:

In accordance with the provisions of Section VI(J) of the Commission's Local Service Guidelines, please be advised ICG Telecom Group, Inc. has completed installation of facilities required for implementation of service pursuant to the interconnection arrangements reached previously with Ameritech, in Case Nos. 96-611-TP-UNC and 97-160-TP-NAG.

It is my understanding that upon receipt of this notification, the Commission will begin the processes necessary for implementation of the 180-day "fresh look" provisions.

The completion of the equipment installation referred to above will permit ICG Telecom Group, Inc. to offer local dial tone in the Akron, Cleveland, Columbus and Dayton area exchanges served by Ameritech.

Please advise if any further information is required.

Very truly yours,

  
Boyd B. Ferris
