**OHIO ENERGY GROUP'S
AMENDED MEMORANDUM IN RESPONSE TO
THE CINCINNATI GAS AND ELECTRIC COMPANY'S
APPLICATION FOR REHEARING**

The Ohio Energy Group ("OEG") submits this Amended Memorandum in Response to the Cincinnati Gas & Electric Company's ("CG&E") Application for Rehearing to correct errors contained in the original Memorandum filed on November 8, 2004. In that Memorandum, it was erroneously stated that OEG supported the Commission Order modifying the original Stipulation and Recommendation. OEG intended to state, and does here state, that it continues to support the original Stipulation and Recommendation as filed by CG&E and others including OEG. OEG believes that the Commission's Opinion and Order of September 29, 2004 was not just and reasonable. OEG also supports the modified Stipulation and Recommendation most recently filed by CG&E as an attempted compromise of the Commission's Opinion and Order of September 29, 2004. The modified

Stipulation and Recommendation, while not as desirable as the original, is more appropriate than the Opinion and Order of the Commission of September 29, 2004. OEG asks the Commission to accept this Amended Memorandum and to disregard the original Memorandum filed on November 8, 2004.

Respectfully submitted,
