Customer Notification to be included in MCI's September invoices

Notice is given that MCI(R), a competitive local exchange carrier, filed a request with the Public Utilities Commission of Ohio (PUCO) (Case No. 03-1396-TP-SLF) to assess small business customers a late payment charge of 1.5% on payments not received within 30 days from the date of the invoice, where capabilities exist. The late payment charge can be applied to the entire unpaid balance of the customer's monthly invoice, including taxes. This change will take effect on November 1, 2003. If you have any questions, please call MCI customer service at the number listed on this invoice.

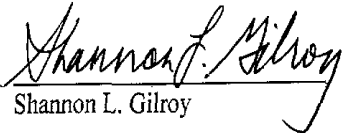

Any interested person, firm, corporation, or entity desiring an oral hearing in this matter should file a request with the PUCO stating the reasons for the request, along with a motion to intervene in the case. Unless the PUCO receives a request for an oral hearing and accompanying motion to intervene, the case will be decided on the basis of information filed with the PUCO. Further information may be obtained by contacting the PUCO, 180 East Broad Street, Columbus, Ohio 43215-3793, or the PUCO hotline at 1-800-686-7826. The hearing impaired can reach the PUCO via TTY-TDD at 1-800-686-1570 or in Columbus at 1-800-466-8180.
