CUSTOMER NOTICE

Customer Notice Guide Equivalents

Business Plan C	Firm Rate
Business Plan C Bundled Service Option	Firm Rate Plus

As of September 2002, your long distance carrier, Verizon Enterprise Solutions (VES), will apply a minimum spend level (MSL) of \$5.00 per month on customer accounts that subscribe to the **Firm Rate and Firm Rate Plus** business long distance calling plans. If a customer spends less than \$5.00 in applicable VES long distance usage and recurring charges under those plans in a given month, the customer will be charged \$5.00 for that month. For example, if a customer has VES long distance usage totaling \$3.50 and has no other applicable VES long distance charges that customer will be assessed an additional \$1.50 to bring the total charge to \$5.00. **However, for every month a customer has \$5.00 or more in VES long distance monthly usage*, that customer will see no additional monthly charge as a result of this change.**

If you have any questions regarding this information, please contact your local business office at the phone number on the cover page of your bill. We will be glad to review your account and calling needs with you.

* Only charges imposed by VES contribute to the MSL, including charges for direct dialed regional and long distance toll calls, operator assisted calls, VES calling card long distance calls and charges under international calling plans and toll free service. Charges imposed by other Verizon affiliates, including your local Verizon telephone company, do not contribute to the MSL. Charges such as taxes, Universal Service Fund (USF) surcharges, subscribed interexchange carrier charges, payphone charges, early termination charges, non-recurring charges, and calling card usage (carried by a carrier other than VES) also do not contribute to the MSL.

Verizon long distance service is not available in AK, DC, DE, MD, NH, VA and WV.
