Dear Ms. Jenkins:

Enclosed is an original Errata Sheet and 15 copies for filing to remove unintended language in my filing and a request to be allowed to participate in the Commission's Technical Conference on demand response and advanced metering, scheduled for April 6, 2006 and any other conferences the Commission may hold in regard to the demand response and/or advanced metering. I apologize for this oversight and any inconvenience it may have caused the Commission. If you have any questions, please contact me as soon as possible. My contact information is provided again for your convenience.
